

Pupil Premium Spending Plan 2021/22

The Clara Grant Primary School

Pupil Premium received during this period: £212,510

Recovery fund: £12,000

Number of Pupil Premium eligible children: 157

Spending breakdown

The money will be spent on staff and outside agencies as part of our intervention programs to narrow the gap. We will use the Pupil Premium to help fund the following interventions:

Main Focus	Proposed Outcome	Amount (Based on last year)
Intervention Support		
Speech & Language Therapist and TA x3	To improve speech and language needs across the school & TAs to work with small groups, diminishing the gap in learning and to provide life-changing treatment, support and care for young people who have difficulties with communication.	£71,133
Teaching & CPD		
Intervention Teacher x2 & TAs, CPD and NQT The National College Subscription	Investing in high-quality teaching. The National College delivers training and professional development for teachers and teaching assistants aimed to bring on-topic information to teachers and teaching assistants, and new webinars based on the most up-to-date topic in the education sector. To work with small groups across Y1, Y2 & Y6, diminishing the gap in learning and the impact of Covid.	Salary Combined CPD NQT The National College £80,907
Arts & Music		
Thames Music and Shakespeare Schools Festival	Thames Music: To give pupils high-quality music provision across KS2. To provide cross-curricular enrichment in English and Drama and to enhance pupil achievement and attainment through music and arts, widen access to music and arts for all young people, develop pupils' confidence, motivation, self-discipline and self-awareness, encourage and develop all pupils'	£12,859

	<p>potential, enjoyment and creativity through participation in the arts and to provide skills and music support for schools, teachers and pupils</p> <p>Shakespeare Schools Festival: Through these opportunities, young people reconnect and make new friends; through exciting, active learning they grow in empathy, confidence and resilience; through rediscovering their creativity they open new horizons.</p>	
Additional Support		
Learning Mentor and Parent Support Partner	Increase resilience for individual children and within families and improve outcomes. The purpose of a Parent Support Partner and Learning Mentor is to increase family involvement, voice and engagement within the mental health treatment process and to equip parents with the skills necessary to address the challenges of raising young people with special needs resulting in improving outcomes for pupils with serious emotional disturbance and intellectual/developmental disabilities, including autism involved with the public mental health system.	£45,136
Childcare/Breakfast Provision		
Morning Club Costs and Magic Breakfast Subscription	Magic Breakfast: studies show that providing a nutritious 'magic' breakfast boosts pupils concentration levels, reading, writing and maths by an average of 2 months' progress per year, compared to pupils in schools with no such breakfast provision. Offering young people, a healthy breakfast will have a positive impact on their learning.	£11,181
Attendance		
Attendance & Inclusion Support	To support with attendance and Inclusion, to improve attendance and punctuality, to reduce unauthorised absences and be on top of pupils wellbeing and make sure they are safeguarded.	£13,392
Total:		£ 236,145
